Our 6th annual Unifor Atlantic Regional Council is quickly approaching, and we are excited to be heading to St. John’s, Newfoundland and Labrador this year. Our activists came out in strength this past year to help put an end to the shameful lock-out in Gander, NL, to achieve hard won victories for paid domestic violence leave in several provinces and to continue our campaign for workers’ rights in the face of a conservative government in New Brunswick.

The Atlantic Council will convene at 9:00 a.m. on Friday, May 3 and will continue until the conclusion of business on Saturday, May 4, 2018.

Prior to council, on Thursday, May 2, we will have a Local Presidents’ meeting. The meeting will adjourn before lunch and be followed by a Political Action training session, open to all members.

Council Registration opens on Wednesday evening at 5:00 p.m. and continues Thursday, May 2, at 8:00 a.m.

See everyone there!

In solidarity,

Ian Hutchison
Atlantic Regional Council Chair

Lana Payne
Atlantic Regional Director

Atlantic Unifor Presidents’ Meeting

As part of the work of our Local Union Task Force (LUTF) and in order to build stronger local unions, it is important to bring our Presidents together on a regular basis to discuss issues of common concern and how we can work better together.

Please advise Laura at laura.vickery@unifor.org who will be attending from your local.

We will all be heading to the polls this fall with both federal and provincial elections on the horizon in our region. That’s why we are dedicating some of our pre-council time to Political Action.

This workshop is open to all who wish to attend and will focus largely on political action training for the upcoming elections.

Delegate Entitlement

Please see the information below regarding the calculation of delegate entitlements for each local. A complete list of specific entitlements is attached.

Please note there are no extra entitlements given for members who sit on the Atlantic Council Executive or standing committees. If your local has a member who sits on the council executive or a committee they MUST be registered as part of your local delegation in some capacity.

*The membership of a National or multi-regional Local Union shall be assigned to the Council covering their residence. They shall be deemed to constitute a local union for the purposes only of their respective Regional or Quebec Council.*
Delegate entitlement shall be based on the following:

Single Unit Local Unions or Subordinate Bodies:
1 to 250 members – 1 delegate
251 to 500 members – 2 delegates
501 to 750 members – 3 delegates
751 to 1,000 members – 4 delegates
1,001 to 1,250 members – 5 delegates
And one additional delegate for each additional 250 members

b. Amalgamated Local Unions or Subordinate Bodies
Each bargaining unit with 250 members or more of an amalgamated Local Union shall have
delegate entitlement based on the following:
250 to 500 members – 1 delegate
501 to 750 members – 2 delegates
751 to 1,000 members – 3 delegates
1,001 to 1,250 members – 4 delegates
Add one additional delegate for each additional 250 members

Members of bargaining units within an amalgamated Local Union with fewer than 250
members shall be grouped together and entitled to delegates as per Paragraph 6 a. of this
Article.

Delegate entitlement shall be based on the average dues payment to the Quebec Council and
Regional Councils in the year preceding the Council meeting excluding any period in which
National Union dues payments have been interrupted by a labour dispute.

While our Constitution and proposed bylaws outline delegate entitlement based on size
of the local or bargaining unit, local unions are also entitled to send Special Delegates as
outlined in Article 10, Paragraph 9, of the Unifor Constitution. We encourage all locals
to take advantage of this option to allow as many members as possible to participate in
Atlantic Regional Council.

Special Delegates are entitled to voice, but no vote and may include, for example, a Local
Union President or Bargaining Unit Chairperson OR representatives of designated equity
groups who would participate in our Council’s Standing Committees. Special Delegates
will help ensure we achieve our equity and diversity requirements as outlined in Unifor’s
Constitution and our Atlantic Council bylaws.

Complete Atlantic Regional Council Bylaws are available on the ARC event page at Unifor.org
Submitting Resolutions

Resolutions you want considered by the Atlantic Regional Council must be received at the Halifax office no less than 15 working days prior to the opening of council. In addition, please note that in accordance with the council bylaws, Article 9: Amendments, that:

The bylaws of the Regional Council may be amended by a 2/3 majority vote to approve a resolution from a local union or a recommendation of the Executive Committee provided that all local unions have been given 30 days notice of a resolution or recommendation to amend the bylaws.

Therefore, any resolutions pertaining to bylaw changes must be submitted no later than March 26, 2019. The 30 days notice would then be given to locals no later than April 2, 2019.

The 2019 resolutions deadline is April 10, 2019. We encourage you to send in your resolutions prior to this date.

Please refer to the sample resolutions form in this call package for a clear language explanation of how to compose, using “Whereas” and “Be it resolved that” statements.

What are Ways to Make Resolutions Clear for Everyone to Understand?

- Cover only one main issue per resolution.
- Use sentences that are clear, direct and short.
- Use words that your readers will easily understand - avoid jargon and acronyms.
- Be specific. Explain what you want to see happen: what you want to change, how you want it done, who you want to do it, and when you want it to happen.

Hotel Do’s & Don’t’s

**DO**
- Allow staff access to clean your room daily;
- Learn names/engage with staff assisting you. Talk to them about your union job;
- Respect non-conference hotel guests. They are community feedback of our union;
- Tip housekeeping guideline is $2/bed/day. Tipping ensures that the person who cleaned your room gets tipped. Check-out tipping doesn’t necessarily go to the person who cleaned your room during your stay;
- Leave a personalized note with your tip for housekeeping. A little recognition can mean a lot;
- Keep floors clear from bags and debris so housekeepers can vacuum and change bedding;
- Utilize on-site food and beverage outlets and services as they supply employment to staff and generate income for employees;
- Sort garbage into appropriately provided bins;
- Food and beverage tipping is standardized at 15-20%;
- Request fresh towels everyday;
- Tip the Bellman/Concierge if they perform a task for you (carry or store luggage, call cab, make reservations, etc.);
- Fill out comment cards and surveys for staff and give recognition to your union sisters and brothers who are working; and
- Be an ambassador at all times! Remember that you are the face of the union.

**DON’T**
- Leave a big mess in your room, but if you do, tip accordingly;
- Book with secondary booking sites, as it reduces jobs and revenues at the hotels - book directly with the hotel;
- Dispose improperly of any sharp or hazardous materials into room garbage (broken glass, needles, etc). Call housekeeping for assistance to prevent injuries;
- Expect piping hot food through Room Service - food travels a long way before it reaches your room;
- Dine in outlets just before close. Be aware of hours and operations;
- Throw room parties or be loud in your room for other guests to hear;
- Raise your voice at staff or use inappropriate language; and
- Participate in the green program as it reduces hours for the workers.
