

Fièremment Unifor

Répertoire des produits et des services d'Unifor

Préparé par le Service de recherche d'Unifor.
Mis à jour en août 2017

unifor.org/fierementunifor

Chaque jour, les membres d'Unifor travaillent avec ardeur pour fabriquer des produits et fournir des services destinés aux consommateurs canadiens et étrangers. L'incidence d'Unifor sur la vie quotidienne des Canadiens est énorme puisqu'il compte plus de 310 000 membres répartis dans pas moins de 20 secteurs de l'économie. Consultez le répertoire pour connaître les nombreux biens et services fièrement produits par les membres d'Unifor.

Veillez prendre note que nous mettons régulièrement à jour notre liste. Pour nous signaler des produits ou des services manquants, envoyez-nous un courriel à l'adresse fierementunifor@unifor.org.

Qu'est-ce qui est inclus dans le répertoire?

- Produits et services accessibles au grand public.
- Lieux de travail où une unité de négociation d'Unifor est présente (espaces de travail syndiqués), y compris les services publics.

Qu'est-ce qui n'est pas inclus dans le répertoire?

- Industries telles que la foresterie, l'énergie, l'exploitation minière, la construction navale et l'aérospatiale. Ces industries comptent un grand nombre de fiers membres d'Unifor, mais les travailleurs n'achètent pas directement leurs produits.
- Les marques ou les produits exacts ne sont pas toujours indiqués. Communiquez directement avec l'entreprise ou la section locale pour obtenir de plus amples renseignements sur les marques qui sont fabriquées à un endroit en particulier.
- Langues dans lesquelles les services sont offerts.

Pourquoi acheter des biens et des services produits par des syndiqués?

Unifor défend les droits économiques de tous les travailleurs. Il milite pour des emplois de qualité, la sécurité au travail, la sécurité d'emploi, les salaires et les avantages sociaux qui offrent un niveau de vie décent et équitable ainsi que la dignité, l'équité et le respect en milieu de travail.

La façon dont vous dépensez votre argent ou passez votre temps fait une différence pour les familles des travailleurs et leurs collectivités. De plus, elle détermine les produits, les services et les entreprises qui seront florissants au Canada. Lorsque vous faites affaire avec une entreprise syndiquée, vous favorisez des conditions de travail équitables et décentes, tout en faisant comprendre à tous les employeurs que les emplois de qualité sont importants. Dans bien des villes canadiennes où Unifor fabrique des produits, l'économie locale est prospère grâce aux emplois indirects qui sont créés. Par exemple, chaque emploi dans le secteur de l'automobile crée jusqu'à sept emplois indirects dans les environs.

Mises à jour

Préparé par le Service de recherche d'Unifor, le répertoire représente un instantané. Il sera donc mis à jour tous les ans. Pour consulter la liste la plus récente, visitez le site Web d'Unifor (unifor.org). Si vous connaissez un lieu de travail qui devrait en faire partie, informez-nous-en en envoyant un courriel à l'adresse fierementunifor@unifor.org.

Toute erreur ou omission que comporterait le document est complètement involontaire. Nous vous encourageons d'ailleurs à nous signaler les erreurs et les omissions dès que possible en écrivant à l'adresse ci-dessus.
