TCRC and IBEW members at CP Rail give Strike Notice

On April 17, 2018, the Teamsters Canada Rail Conference, representing approximately 3000 conductors and locomotive engineers and the International Brotherhood of Electrical Workers representing approximately 360 members at Canadian Pacific Railway, have served notice that their members may take legal strike action at midnight on, April 21, 2018.

Unifor takes this opportunity to express its full support for both the TCRC and IBEW. Your Unifor Rail Council has sent letters of support to both the TCRC and IBEW Leadership outlining our support and encouragement in their struggle to achieve a satisfactory collective agreement with Canadian Pacific.

We wish the TCRC, the IBEW and their members every success in achieving their demands.
