

January 13, 2020

Dear Brothers and Sisters,

The Unifor Educational Support Staff Conference is fast approaching. This year's conference will be held on **March 13 – 15, 2020** at the **Coast Nisku Inn** in Nisku, Alberta.

This year's theme is based around the Indigenous Murdered and Missing Women. We are asking everyone to **wear red** on Saturday in support.

We will be selling tickets for gift baskets (donated by Locals and National) throughout the conference. Please bring anything your Local would like to add to the raffle table. There will also be a 50/50 draw. This year proceeds will go to Local 328 to be given to the Women's Shelter of their choice.

If your Local is pursuing a Social Justice project and are selling merchandise, feel free to do so at the conference. We will need advance notice to have a table set up.

Reminders: *Deadline for booking rooms is February 11

 *Deadline for registering is February 11
