

Unifor reaches a bargained settlement

We are proud of what our committees were able to achieve in a very challenging round of negotiations.

We thank you all for your comments, support and solidarity. Unifor members were ready to stand together for a fair agreement.

We will notify you of the ratification meeting schedule shortly.

In solidarity,

Jerry Dias, National President
Ken Hiatt, Local 100 President
Barry Kennedy, National Council 4000 President
